Letter From The Pastor...

Dear Parishioners and Visitors,

The 4th of July, also known as Independence Day in the U.S. is arguably the most important day in this great country's history. On this day we celebrate with fireworks, barbeques, parades, friends and family. We honor the bravest men and women who fought for our freedom over 240 years ago and those who are fighting to protect our freedom today. While we stop to embrace everything we are thankful for, it is ever so important that we also turn to the One who is most responsible for our freedom. God Almighty has granted us with true blessings of freedom both in heaven and on earth.

Let us love our country's best principles and reaffirm our commitment to giving witness to what is true and good and beautiful in all the spheres of life where we can have an impact. If we accept the yoke of Christ and respond to His direction, He will guide us home and keep us safe.

And remember that He has guided us in placing us within the United States of America. Follow His lead as you serve and witness as Catholics in America. We each have a role to play, and if we embrace the yoke and listen to God's direction, we will grow in trust that God is in command, and we but have to do His bidding as we carry our burdens with ease in His light.

Prayer for America

Dear God, we thank you for the bountiful blessings you have bestowed on us. Guide us in being good stewards of these gifts. Let us care for all of your beautiful creation, from the redwood forests to the gulf stream waters. Make us instruments of your peace in order to put an end to rockets' red glare and bombs bursting in air. Help us to love and care for all of our neighbors -locally and globally- so that we might be truly crowned with brotherhood from sea to shining sea. Amen. Viva Cristo Rey!
