Letter From The Pastor...

Dear Parishioners and Visitors,

We continue our reflections on the Holy Mass. Today we begin **forth part** which is the Communion Rites and Concluding Rites.

Do you really see a difference in your lives every time you receive Jesus in Holy Communion? It can be easy to receive the Eucharist frequently without realizing the power it can have in our lives. *Let us never forget that when we receive the Eucharist, we receive God himself.*

Biblical Roots of Communion Meal

Throughout the Old Testament, we see that every animal sacrifice for the atonement of sins was accompanied by a communion meal and the strengthening of the covenantal friendship between Israel and God. The animal sacrifice was not enough for God, he wanted a communion meal because it symbolized sharing of life and covenant friendship between God and his people. More than the sacrifice, God wanted the hearts of his people. We also see in Scripture that a communion meal established peace and unity. Partaking in the communion meal was therefore a necessary part after the entire ritual of animal sacrifice for the forgiveness of sins. The fact that at Passover the Jews would not only sacrifice a lamb, but also eat it, is crucial because it points to the Eucharist.

The Eucharist is the Body, Blood, Soul and Divinity of Jesus Christ. When we receive the Eucharist, we receive God himself. This reality should profoundly impact and transform us. At the Last Supper, Jesus takes the sacrificial language of the Passover and applies to himself. He not only offers his physical body up to the Father for the forgiveness of our sins, but also commands us to eat of his body and drink of his blood. He also says that his blood will be poured out for the forgiveness of sins just as the blood of the lamb at Passover was poured on the altar for the forgiveness of sins.

To be continued. Viva Cristo Rey!
