

St. Patrick Catholic Church
Telluride, Colorado
Scholarship Application

St Patrick's provides scholarships to local high school students who have demonstrated outstanding Catholic Discipleship through active participation in their Sacramental life and service leadership in the parish and local community. The scholarship honors those students who have committed themselves to living their Catholic Christian faith by being of service to their family, parish, and community. Furthermore, the scholarship is intended to encourage students to continue to grow their faith and their Catholic discipleship through leadership, service and parish participation throughout their college years and into adulthood.

Please review the detailed scholarship requirements at stpatrickstelluride.com/scholarship

As described in more detail on St Pat's website, please attach a record and description of service hours you have completed in the parish and community. Service hours must be demonstrated for every year during high school. More documented service hours per month increases both the initial scholarship and the possible renewals.
